

## RYA Essential Navigation & Seamanship

The objective of this online course is to offer the basic knowledge about navigation and safety. It is ideal for anyone starting to go afloat on dinghies, cruising, powerboats or even just for fun if you enjoy this subject of navigation.

After booking you will receive one password to access our e-learning website area "RYA Interactive – West Coast". At the same time we will send you by post your package with all the necessary course material (training charts, Navigation Plotter and a book).

If you need our help our instructors are available to step in, they will answer to your questions and guide you through the course. This support is included into your package and it won't cost you more.

After you successfully complete all the program including the final test you will also receive by post your RYA certificate.
